Career Summary

303 peer-reviewed publications

142 technical reports

77 invited presentations

Approx. \$8 million in competitive research funding

Approx. \$3 million in contracted research funding

Employment History

Permanent Positions

Organisation	Role	Period
Curtin University	Director, WA Cancer Prevention Research Unit	2014 onwards
Curtin University	Research Professor, School of Psychology	2013 onwards
University of Western Australia	Director, Health Promotion Evaluation Unit	2011 - 2013
University of Western Australia	Professor, Business School	2010 - 2013
University of Western Australia	Senior lecturer, Business School	2005 - 2010
Edith Cowan University	Senior lecturer, School of Marketing	1998 - 2005
Notre Dame University	Lecturer, School of Business	1997-1998
AlintaGas	Market analyst	1994 -1997
Ensign Services	Customer Service Manager	1992 - 1993
Shell Company of Australia	Business co-ordination roles	1988 - 1992

Service Roles

- Member of COAG Food Labelling Committees (2009 – present)
- Member of the Act Belong Commit State Steering Committee for Mentally Healthy WA (2008 – present)
- Member of the Alcohol Advertising Review Board Steering Committee (2012 – present)
- Member of the international EPODE (child obesity prevention) Program Scientific Committee (international) (2012 – present)
- Member of the WA Mental Health Commission's "Young People and Alcohol" advertising campaign advisory group (2012 – present)
- Member of the WA Mental Health Commission's "Alcohol. Think Again" Alcohol and Health Expert Group (2016 – present)
- Director, Foundation for Alcohol Research and Education (FARE) (2018 – present)
- Editorial Board member of the academic journal Consumption, Markets, and Culture (2009 – present)
- Editorial Board member of Appetite (2016 – 2018)
- Editorial Board member of the Journal of Social Marketing (2011 – 2019)
- Regular reviewer for the Australian Research Council's Discovery, Linkage, Laureate, and DECRA funding programs (2007 – present)
- Regular reviewer for various National Health and Medical Research Council grant funding rounds (2011 – present)
- Founding and member of the Transformative Consumer Research Advisory Committee (international) (2006 – 2016)
- Founder (2000 – 2011) and Editorial Board member (2000 – present) of the Journal of Research for Consumers
- Associate Editor of BMC Public Health (2012 – 2017)
- Member of NHMRC funding panels (2014 – 2017, 2019)
- Member of National Heart Foundation funding panel (2014 – 2016)
- Member of the WA Health Promotion Foundation (Healthway) Research Committee (2011 – 2013)

Awards

- John Curtin Distinguished Professor award, Curtin University (2017-2021)
- Top five media commentators for the Faculty of Health Sciences, Curtin University (2018)
- Researcher of the Year Award, Faculty of Health Sciences, Curtin University (2014)
- Ray James Award for excellence and innovation in health promotion research for paper titled “The advertised diet: an examination of the extent and nature of food advertising on Australian television” in Health Promotion Journal of Australia (2014)
- Journal of Public Policy and Marketing/Kinnear Award for paper titled “From nutrients to nurturance: A conceptual introduction to food well-being” (2014)

- 8th International Congress of the International Association on Public and Nonprofit Marketing (Valencia, Spain) Best Paper award (2009)
- Co-authored Consumer Behaviour text book won the Best Tertiary (Adaptation) Teaching and Learning Award in the Australian Awards for Excellence in Educational Publishing (2008)
- University of Western Australia research supervision award (2007)
- Qualitative Market Research Journal Most Outstanding Paper award (2002)
- Edith Cowan University Faculty of Business & Public Management best lecturer award (2001)
- Edith Cowan University Postgraduate and Honours Student Association postgraduate supervisor of the year award (2001)
- Edith Cowan University Postgraduate and Honours Student Association award for Excellence in Research Leadership (2001)
- Edith Cowan University Postgraduate and Honours Student Association award for excellence in postgraduate support (2000)

Research Funding

- Pettigrew, Norman, and Tan. Public confidence in the use and roll-out of shared autonomous electric vehicles (SAEVs). Planning and Transport Research Centre (PATREC), \$143,000, 2019-2021.
- Dixon H, O'Brien K, Pettigrew S, Niederdeppe J, Vandenberg B. Countering the influence of alcohol sport sponsorship: a media intervention. NHMRC 2018 Project Grant, \$412,418, 2019-2020.
- Shaw, Johnston, Gilligan, and Pettigrew, "Supporting parents to delay and reduce adolescent alcohol use," Healthway project grant, \$328,537, 2018-2020.
- Pettigrew, Miller, Kypri, Chikritzhs, Jongenelis, Brennan, and Hasking, "Promoting responsible drinking practices to drinkers to reduce the risk of alcohol-related harm," NHMRC project grant, \$271,000, 2018-2019.
- Pettigrew, Lucas, Strickland, Whiteman, Neale, and Milne, "The health promotion potential of locating UV meters in high schools," Healthway, \$38,174, 2017-2018.
- Pettigrew, Wakefield, Kypri, Chikritzhs, Hasking, and Jongenelis, "Developing health promotion messages to encourage responsible drinking practices," Healthway, \$104,745, 2017-2018.
- Pettigrew, Medical Health & Infrastructure Research Fund (MHIRF), 2017, \$21,399.
- Pettigrew, Norman, and Fritschi, "Investigating the strategic options for autonomous vehicle adoption in WA", Bankwest Curtin Economics Centre, \$59,500, 2017.
- Wakefield, Brennan, Durkin, Pettigrew, Hoek, and Slater, "Can systematically developed alcohol health warnings reduce drinking intentions and behaviours?", NHMRC project grant, \$782,617, 2017-2021.
- Miller, Wakefield, Pettigrew, Coveney, Durkin, and Roder, "Warning labels for sugar sweetened beverages," NHMRC project grant, \$780,824, 2017-2019.
- Pettigrew, Bonevski, Coffin, Slevin, and Anwar McHenry, "Developing effective smoking cessation programs for the disadvantaged for delivery via community service organisations", Healthway, \$75,000, 2016-2017.
- Dixon, Wakefield, Kelly, Pettigrew, Niederdeppe, and Chapman, "Harnessing the power of elite sport sponsorship to promote healthy eating by young adults," NHMRC targeted research grant, 2016-2018, \$304,220.
- Miller, Wakefield, Pettigrew, Coveney, Wittert, Durkin, and Roder, "Reducing sugar sweetened beverages consumption among young adults", NHMRC targeted research grant, \$671,000, 2016-2019.
- Miller, Wakefield, Pettigrew, Coveney, Wittert, Durkin, and Roder, "Reducing sugar sweetened beverages consumption among young adults", Beat Cancer Project - Cancer Council SA and SA Health, \$75,000, 2016-2017.

- Dixon, Wakefield, Kelly, Pettigrew, and Scully, “The impact of unhealthy food vs. alternative pro-health sport sponsorship models on children’s food preferences”, Jack Brockhoff Foundation, 2015-2016, \$57,285.
- Pettigrew, Medical Health & Infrastructure Research Fund (MHIRF), 2016, \$16,000.
- Thomas, Randle, Daube, Pettigrew, Stoneham, Moodie, Pitt, and Bestman, “The commercial determinants of gambling ‘normalisation’: Causes, consequences and public health advocacy responses”, Victorian Responsible Gambling Foundation, 2015-2016, \$167,388.
- Jones, Iverson, O’Brien, Pettigrew, Daube, and Francis, “Relax, they’re soaking in it: West Australian adolescents’ exposure to alcohol advertising”, Healthway/DAO alcohol special funding initiative, 2015-2016, \$144,040.
- Hill, Lewin, Pettigrew, Hill, Burton, and Marston, Improving community participation in strengthening programs for older people, Healthway, 2014-2016, \$131,000.
- Jones, Iverson, Daube, and Pettigrew, Sips and tastes’: Increasing parental awareness of the effects of early alcohol initiation, Healthway, 2014-2017 \$363,252.
- Pettigrew, Kelly, Ball, Neal, Hughes, Miller, Dixon, and Shilton, The independent and combined effects of front-of-pack food labelling systems and health claims on consumers’ food-related beliefs and behaviours, ARC Linkage with National Heart Foundation, Cancer Council, and SAHMRI, 2014-2016. ARC: \$167,436; other collaborators: \$186,077. Total: \$353,513.
- Thomas, Randle, Pettigrew, Daube, and Moodie, A public health analysis of gambling marketing activities: Themes, targets, and impacts. Victorian Responsible Gambling Foundation, \$132,275.
- Pettigrew, Newton, Warburton, and Jackson, Investigating the health benefits of volunteering by seniors, ARC Discovery, 2014-2015, \$360,000.
- Neal, Pettigrew, Webster, Sacks, Establishing the best front-of-pack labelling system for Australian foods, NHMRC Partnership Grant with BUPA and National Heart Foundation, 2013-2015, \$350,000.
- Wakefield, Slater, Dixon, Durkin, Brennan, Pettigrew, Television advertising to promote NHMRC Guidelines for low risk alcohol consumption: experimental study, NHMRC Project Grant, 2013-2015, \$649,356.
- Pettigrew, Daube, Jones, Chikritzhs, and Stafford, Exploring alcohol-related beliefs and behaviours among 18-21 year old Western Australian drinkers, WA Drug and Alcohol Office, 2013-2014, \$149,642.
- Pettigrew, Chikritzhs, Rosenberg, Liang, Pratt, Slevin, and Glance, Developing and testing cancer warning statements for alcoholic beverages, Healthway, 2012-2014, \$236,839.
- Jarvis and Pettigrew, Exploring the impact of different alcohol warning statements on young consumers’ choice behaviour, UWA Business School, 2010, \$13,000.

- Pettigrew, Henley, and Wood, Investigating factors contributing to child health in low SES families, Healthway, 2010-2011, \$197,743.
- Pettigrew, Quester, Chapman, and Miller, Investigating the indirect effects of food promotion on children's diets, Australian Research Council Linkage Grant with the NSW Cancer Council and SA Cancer Council, 2009-2011. ARC: \$105,746; other collaborators: \$100,000. Total: \$205,746.
- Jarvis, Pettigrew, and Webb, Exploring teenagers' alcohol consumption beliefs and behaviours to inform intervention design and public policy, UWA Business School, 2009, \$14, 947.
- Pettigrew and Donovan, Addressing childhood obesity through school canteens, Healthway and the WA Department of Education and Training, 2008, \$135,800
- Pettigrew and Charters, Development and testing of data collection techniques to investigate unsafe alcohol consumption among young adults in Australia and France, Ambassade de France en Australie, 2008, \$5,800.
- Pettigrew and Donovan, A family education intervention to address childhood obesity, Healthway, 2007, \$50,000.
- Pettigrew, Donovan, Boldy, and Newton, Investigating older Australians' beliefs about and understanding of mental health and their practice of relevant protective behaviours, Australian Research Council Linkage Grant with the WA Department of Communities and the WA Office of Mental Health, 2007. ARC: \$56,387; other collaborators: \$43,800. Total: \$100,187.
- Donovan, Ewing, Pettigrew, Ouschan-Mcrae, and Carter, Identifying elements of alcohol TV advertising that predict advertising impact on under-age youth, Healthway, 2007, \$74,000.
- Newton, McGuigan, and Pettigrew, Strengthening the role of exercise physiologists in overcoming childhood obesity, Telstra Community Development Fund, 2006 \$97,000.

Research Student Supervision

Doctoral Students

Completed

1. Himanshu Gupta, The Influence of Social Media on Young People's Alcohol Consumption Behaviours: A Comparison of Factors between Australia and India. PhD, Curtin University, 2019.
2. Regan Housley, A virtual mirror? Young women's construction of self on social networking sites, PhD, UWA, 2017.
3. Catherine Archer, Parenting in the blogosphere: the role and influence of big and small business, radicals and revisionists in the third space, PhD, UWA, 2017.
4. June Lee, Determinants of transgenerational family wealth perpetuation, DBA, UWA, 2015.
5. James Kwan, The role of corporate governance, share lockups, underwriters' reputation and effects of venture capital involvement on underpricing and long-term performance of IPO firms, PhD, UWA, 2014.
6. Michelle Jongenelis, The Role of Self-Objectification in the Development of Body Image Disturbance and Eating Disorder Symptomatology in Young Children, PhD, UWA, 2014.
7. Melanie Pescud, Factors influencing the food provision behaviours of low socioeconomic parents with overweight or obese children PhD, UWA, 2014.
8. Chan Seet Meng, The influence of financial health on disclosure: A cross-industry analysis of Singapore's public-listed companies, DBA, UWA, 2013.
9. Lee Keng Ng, The effect of branding on the choice of universities in Singapore, DBA, UWA, 2011.
10. Ruth Leung, Churchgoers: Consumers or servants?, DBA, UWA, 2011.
11. Allison Rieck, Exploring collaboration between healthcare professionals: developing a substantive theory of the general practitioner/community pharmacist relationship in Western Australia, PhD, UWA, 2011.
12. Michele Roberts, The indirect effects of food promotion on children's diets: An exploratory study with peer groups and parents, PhD, UWA, 2010.
13. Vasso Grougiou, Seniors' dissatisfaction with service encounters, PhD, Strathclyde University, Scotland, UK, 2007.
14. Catherine Munene, The service delivery process: An examination of how consumers evaluate technology-assisted service encounters in the banking industry, PhD, Edith Cowan University, 2004.
15. Stephen Charters, What is understood to be quality in wine? PhD, Edith Cowan University, 2004.
16. Jervis Whitely, Complex adaptive systems and conversation analysis: A new perspective for consumer behaviour research? DBA, Curtin University of Technology, 2002.

In Progress

1. Todd Subritzky, How has the implementation and evolution of a commercial marijuana market in Colorado been portrayed in samples of mass and niche media stories?, PhD, Curtin University. Commenced mid 2015, full-time enrolment.
2. Caitlin Worrall, Exploring factors associated with depressive symptoms in among Australian community-dwelling older adults. Curtin University. Commenced 2017, full-time enrolment.
3. Julia Stafford, Representation of commercial and health interests in alcohol policy processes in Australia. Commenced 2017, full-time enrolment.

4. Tess Fletcher, Developing messages to discourage alcohol consumption in pregnancy. Commenced 2018, full-time enrolment.

Master by Research (Thesis) Students

Completed

1. Trudie Michels, The role olive oil plays in the lives of Western Australian consumers, Edith Cowan University, 2006.
2. Margaret Piasecka, Where are the active citizens of tomorrow? We need them now, Edith Cowan University, 2006.
3. Amanda Miraldo, Big boys don't cry: Understanding barriers to help seeking for mental health problems among adolescent males, Edith Cowan University, 2003.
4. Caryn Ow, A qualitative analysis of the loyalty building attributes of customer loyalty programs on gaining loyalty to brands. Edith Cowan University, 2001.
5. Peter Simms, Exploring the criteria used by managers to measure the effectiveness of customer loyalty programs, Edith Cowan University, 2000.

Honours Students

Completed

1. Charlotte Edgson, The effect of adults' perceived healthiness, nutritional knowledge and dietary requirements on their front-of-pack label preferences. Upper Second Class, Curtin University, 2018.
2. Jessica Brown, Exploring Barriers, Facilitators, and Motivators to Smoking Cessation Experienced by Smokers with Mental Health Problems in Disadvantaged Communities. Lower second class, Curtin University, 2018
3. Caitlin Worrall, Individual and structural factors influencing older Australians' decisions to commence or continue formal volunteering. Upper Second Class, Curtin University, 2016.
4. Lienke Wilker, The Relationship between Subjective Wellbeing, Demographic factors and volunteering among older Australians. First Class, Curtin University, 2016.
5. Sarah Ferraz, Exploring Young Women's Perspectives of Female Body Image Ideals and 'Fitspiration'. First Class, Curtin University, 2015.
6. Alex Kokshoorn, Participation in crowdfunding: A Theory of planned behaviour approach. University of Western Australia, 2012.
7. Sam Watson, Affect or cognition? Which approach should accountants use in print advertisements? Upper Second Class, University of Western Australia, 2010.
8. Mandy Pickering, An exploratory grounded theory study of the consumption behaviours associated with eco-camping by Australian grey nomads, Upper Second Class, Edith Cowan University, 2005.
9. Roman Vargha, A study of Australian managers' perceptions of the internet, First Class, Edith Cowan University, 1999.
10. Kieran Geen, A qualitative investigation into the use of the Internet in the information search phase of the buying decision process, First Class, Edith Cowan University, 1999.
